

# Powering Your Cloud Solution

with the tools you  
need to succeed

**The CloudJumper Sales Partner Program** | From our award-winning Workspace as a Service (WaaS) solution...to pricing that is disruptive in the industry...to commission plans that are highly lucrative for you...to our engaged partner support team...we have built the partner program for expanding your business in the cloud.

## We Market Exclusively Through the Channel

As a sales partner, our Workspace as a Service (WaaS) solution provides you the opportunity to change the economics of your business. Our focus is 100% on helping you do just that, growing a successful cloud business.

## Build Your Business in the Cloud

More and more companies are turning to the cloud to support their IT, now is the time to add nWorkspace, our WaaS solution, to the product set you currently represent, and grow your business into the cloud. Our program includes:

- A Turn-Key Workspace as a Service Cloud Solution
- Disruptive Pricing
- Aggressive Commissions from Sticky Customers
- Sales, Engineering and Marketing Support
- Help in Closing Business
- We Handle All Provisioning, Billing and Customer Care
- Our Solutions: Workspace as a Service | MS Office 365 | Hosted QuickBooks | Application Hosting | Abila Hosting

## Who is CloudJumper?

Our creativity and can-do thinking has always set us apart. Our solutions are the result of years of working with many of the industry's most important players, including Microsoft, Intuit, Google, IndependenceIT, and others.

# CloudJumper Solutions

**nWorkSpace** | delivers access to your desktop and your applications from all your devices

## **nWorkSpace** | **Workspace as a Service**

It's your workspace in the cloud, accessible from all your devices. Once in your workspace, work as you always have, connecting to your desktop, applications, email and files. We manage the OS, data backups, your applications, virus filtering and infrastructure.

**Add These to Your nWorkSpace:** [Microsoft Office 365](#) | [QuickBooks](#)  
[Your Line of Business Applications](#) | [JumpDrive](#)

## **Application Hosting**

Host your software applications in nWorkSpace, and

- Access your applications from all of your devices
- Forget having to manage the necessary IT infrastructure
- Save the time and resources needed to install and manage your applications
- Know you're working with a pioneer of application hosting

**Line of Business Software** | We currently host 2000+ titles, from those that are household names to specialized solutions built by our customers. All of your applications are stored and backed up in our data centers that are SSAE-16 Type II, TIA 942 Class 4, PCI DSS, HIPAA and Sarbanes-Oxley certified.

**Microsoft Office 365** | As a Microsoft Shared Computer Activation Partner, we support Microsoft Office 365 in the nWorkSpace environment.

**QuickBooks** | CloudJumper is an authorized distributor of Intuit QuickBooks. We provide you a full version of QuickBooks with easy access from all your devices.

## **JumpDrive**

Easily and securely share files with colleagues and clients. Work on your documents offline, knowing they will auto-sync back to your nWorkSpace when you access the internet. Never worry about sending emails with large attachments as Jump Drive makes it hassle-free.

**Microsoft Office 365** | as a stand-alone offering or integrated into the nWorkSpace

Office 365 is the same Office you already know and use every day...and then some. Because Office 365 is powered by the cloud, you can get to your applications and files from virtually anywhere – PC, Mac and tablets – and they're always up to date.

The CloudJumper Office 365 packages are almost identical to the Microsoft offerings. You can choose Office 365 as a stand-alone solution or integrate it with your nWorkSpace.

For our agent partners, our Office 365 commissions are among the best in the industry.
